The Perfect Pair

Feeling hungry? March 23 is Chip and Dip Day. This ultimate snack and party pairing has come a long way since chips and salsa. Often, the dip is the exciting element of the duo: creamy ranch made with sour cream, dill, garlic, and dried onions. Or guacamole with fresh avocados, garlic, onion, tomatoes, a dash of cayenne, and a squirt of lime. For a change of pace, try hummus, spinach with artichokes, or a white bean spread. Although it may be taken for granted, the chip is more than just a vehicle for the dip. Corn, potato, and baked pita chips provide a satisfying crunch. Sometimes, you don't need a chip at all. Toasted slices of Italian bread are the perfect base for bruschetta. If you really want to impress a crowd, wow them with cheese fondue. The cheese is spectacular, but equally delicious are the sausage, bread, apples, and veggies for dipping.
